CLASS HISTORY

Here we are looking back over the years in which new classmates joined us and others were lost.

We have eight seniors who have been with us the full twelve years. They are: Loretta Harris, Margaret Hiatt, Donna Huber, Alice Keesling, Rachael Lewellen, Marjorie Schaaf, Leslie Schull, and Keith Robertson.

Before we entered our freshman year Wayne Leedy, Eugene Lamb, Pete Morris, Martha Brown, Peggy Shockley, Jim Carr, Dorladean Mann, Gloria Gibson, and Martha Bowers joined us.

There were four who came from Blountsville in our freshman year. They were Harold Cook, Dick Sheets, Normajean Bonshire, and Tommie Current. The others who entered were Sue Carol Muster and Velva Thurston. Harold and Dick went to school together twelve years also, first at Blountsville and then Center.

During our sophomore year we lost Velva Thurston and gained Beverly Scott from Muncie.

When we entered our junior year we lost Normajean Bonshire, Martha Bowers, Peggy Shockley, Tommie Current, and Beverly Scott. We also acquired and lost James Penick from Virginia and Mary Ellen Williamson from Muncie.

This last year we lost Dorladean Mann to Burris of Muncie and Sue Carol Muster to Royerton; but Donald Schaaf, an ex-serviceman, joined us for one semester.

SENIOR CLASS PROPHECY

I was vacationing in New York in April 1959, when it happened. By "it", I mean meeting Rachael Lewellen again after so many years. I had read in the Times where she was on N.B.C. now. You see, Rachael has her own radio show. She had gained the name of Joan Davis the Second but she had a wit all her own. Well, anyhow, I went to see her broadcast one evening. After the show she came down into the audience. After signing scads of autographs, I got to talk to her. She was surprised to see me and I was glad to see her again. She suggested that we go to her apartment and talk about the good times we used to have at Center High and about all our old friends—so we did.

The first thing she wanted to know was if Center still existed; and she was really surprised when I told her all about the new school building. We went on talking about various things and places. Then we came to the subject of the Class of 1948, the one that Rachael graduated with. This time it was I who was surprised. Why, when I went to Center I never dreamed that Dode Robertson would one day be fighting the Brown Bomber in Madison Square Garden. But that's what Rachael told me. Well, after that one I just sat back and listened. This is what I heard:

> "Martha Brown is hostess on Kendrick Groce's airplane line. Gloria Condon is following Jim, her husband, around and acting as his personal secretary when he speaks in public. Jim is an admiral in the U. S. Navy now. Wayne Leedy turned out to be a semi-trailer driver. He drives from Buffalo to New York City and he stops in at the studio once in a while to see me. Eugene Lamb married Marcia Jefferson and bought a 2500 acre ranch in Texas. He owns about 1500 head of cattle. Harold Cook catches for the Cincinnati Reds. Detroit offered him $50,000 per year but he refused. No one knew why he did, either. Marjorie Schaaf is singing with the New York Philharmonic this coming Sunday. She also is Reducing Director at the Duberry Success Center here in New York. Leslie Schull runs a Used Car Lot in San Diego, California. He is the Mad Man out there now. Pete Morris is working for Uncle Sam. He joined the Navy right after he graduated from Center. Dick Sheets is Head Physician at Mayo's Clinic. He is well known all over the United States. Alice Keesling is his assistant. She's to be married soon. Some young doctor at the Clinic. And that's all I know about. I haven't heard from Loretta Harris for ages."

"Oh," I said, "I see Loretta often. She married Jack Hatcher you know, and they have two little Hatchers. And did you know that Donna Huber is Driving Instructor for all of Delaware County? And that Jim Carr married Pee Wee Klepfer and has four little Pee Wees? Oh, yes and Margaret Hiatt . . . you'll never guess what she's doing. She bought the Gaston Skating Rink two years ago and is having the time of her life and Don Schaaf still has a thriving garage business out on State Road 35.

Rachael was glad to hear from the rest of her old class. She told me to come and see her when ever I was in New York. I said I certainly would and told her goodby.

JUNIOR CLASS

Standing: Russell Hunt, Bill Hedricks, Warren Thornburg, Charles Conwell, Dallas Williams, Arlen Kirklin, William Hamilton, Paul Swingley, Mrs. Moore, sponsor.

Sitting: Dorthy Perry, Carolyn Hamilton, Rita Affert, Lois Hulse, Jackie Rhea, Bette Graham, Jackie Condon. Cecil Stonebraker, Joe Helm and Max Stanley were not present.

The members of the Junior class reported back to old C. H. S. on August 22 for another year of school. When we were arranged in alphabetical order in the assembly we found that the Juniors occupied 20 seats. Unfortunately during the course of the year two members fell to the wayside, namely, Melford Cross and George Hodson.

On August 26 the Juniors got off to a flying start by electing class officers: president, Russell Hunt; vice-president, Arlen Kirklin; secretary and treasurer, Bill Hamilton; and sponsor, Mrs. Moore.

As usual the Junior class had a carnival, which was held October 17. The Carnival went over with a big bang and we are sure everyone had a good time.

Bud Conwell entertained the Junior class with a Christmas party, December 22, at his home.

We presented the class play "The Late Mr. Early" on March 10. The cast consisted of seven boys and seven girls. Mr. Wilson directed it, and we celebrated at Mrs. Moore's home the night of March 18.

SOPHOMORE CLASS

Third Row: Thayer Jordan, Donald Lacy, James Conner, Eugene Warner, Robert Conwell, Kieth Gibson, Russell Clark, James Holcomb.

Second Row: Dennis Conner, George Windmiller, Lucretia Mann, Joan Harbeck, Miss Stibbins, sponsor, Beverly Shockley, Patsy Burleson, Charles Jordan, Curtis Buchanan.

First Row: Barbara McKinsey, Julia Riley, Phyllis Chalfant, Bonnie Warner, Betty Warner, Janet Thornburg, Anita Oxley. Alice Monroe was not present.

To start out the new school year 1947-48, we elected our officers and sponsor. They are president, George Windmiller; vice-president, Anita Oxley; secretary, Betty Warner, treasurer, Don Lacy; and sponsor, Miss Carolyn Stibbins.

The biggest event of the year was the freshman initiation which took place after the Center and Gaston baseball game. This followed by games, refrehments, and a hayride.

In October we had a theater party at the Rivoli then showing "Nightmare's Alley." Everybody invited a guest.

We also gave a stunt at the junior carnival during the month of October. It seems our stunt was the prize winner.

During the year our class has been well represented in the F. H. A. and the Boys' Agriculture Club.

FRESHMAN CLASS

Standing left to right: Norman Keeling, Glen Ward, Hollis Young, Margaret Hamilton, Mary Jo Kelsey, Sarah VanHorn, Charles McKim, Aussie Kirklin, Donald Black, Donald Gibson, Mr. McGilton, sponsor.

Sitting left to right: Jackie Shephard, Janet Perry, Joyce Jordon, Sandra Marks, Sue Koontz, Phyllis Strickler, Sue Graham, Thelma Gibson, Shirley Beaty. Willie Johnson, Margaret Morris and Nila Green were not present.

The freshmen started their first year right by being initiated by the sophomores September 25. We had to wear all kinds of clothes to school and to the baseball game. We had a party after the baseball game at school. Then we had a most enjoyable hayride—and two flat tires to finish up a day long to be remembered.

The class officers were elected as follows: President, Charles McKim; Vice-President, Phyllis Strickler; Secretary, Joyce Jordan; Treasurer, Norman Keeling; and sponsor, Mr. McJitton.

Our new classmates are Janet Peery, Barbara Condon, Hollis Young, Glen Ward, Don Woods, Norman Keeling, Mary Jo Kelsey, Willie Johnson, Suzanne Koontz, and Don Gibson. Barbara Condon has moved to Fort Wayne and Don Woods has moved to Texas.

We have had three class parties, a wiener roast at Sue Graham's house, a theater party at the Rivoli, and a skating party at the Selma Rink.

Our class has been well represented in the athletic program this year. Those on the baseball team were Aussie Kirklin, Donald Black, Charles McKim, and Willie Johnson. These same classmates plus Hollis Young and Norman Keeling were on the basketball team. Nice going boys. Our class has also shown great interest in the volley ball games.

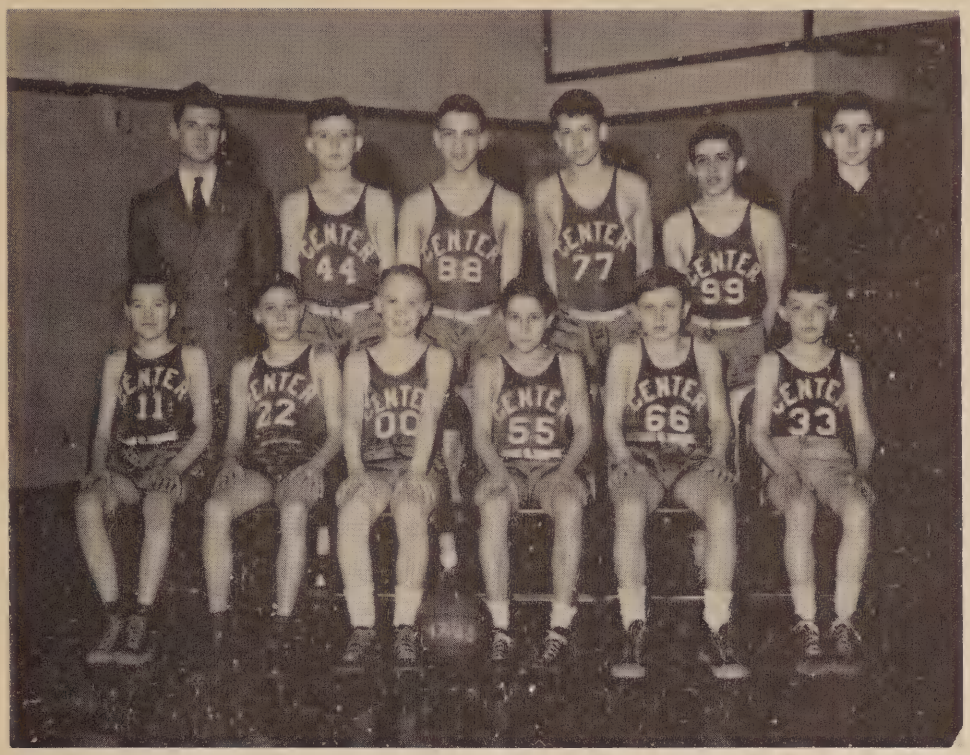
SECOND TEAM BASKETBALL

Standing: Lloyd Frazer, coach, Paul Swingley, Thayer Jordan, Warren Thornburg, Kieth Gibson, Donald Lacy, William Hamilton, Norman Keeling, Eugene Lamb, Mgr.
Sitting: Russell Hunt, Aussie Kirklin, Charles McKim, Charles Jordan, Donald Black, Hollis Young.

This bunch of boys did a very good job this year. The boys lacked height but were in there fighting all the way. The team looks bright for the next few years. The team was made up mostly of Freshmen and Sophomores. There were three Juniors on this team. They ended up winning 13 and loosing 4. Just keep in there boys.

BASKETBALL

This year has turned out to be one of the big year's for the Spartans. They ended up winning fourteen and loosing eight which gives them a 636 percentage. They had three boys responsible for the rebounds. They are Kirklin, Windmiller and Conwell. Then the driving power goes to Cook and Johnson. These five boys made up most of the scoring. Not far behind were two subs, Stanley and Robertson. Each of these boys showed plenty of scrap. The other boys, Carr, Buchanan, Thornburg, Hunt and Lacey had plenty of fight but seemed unable to find the range. But of these thirteen boys only three graduate. They are Cook, Carr, and Robertson. These three boys will be missed when Center goes out on the floor next year. Although minus these boys Center should and probably will have the top team in the county in the next two years. We wish you boys plenty of luck and we will be in there rooting for you.



JUNIOR HIGH TEAM

Standing: Lloyd Frazer, coach, Harold Stonebraker, Gordon Smith, Jerry Wimmer, Larry Childs, John Johnson, Manager.
Sitting: Stephen Hamilton, Donald Buchanan, George Harris, Donald Shockley, Rex Terrel, Jackie Jefferson.

This bunch of boys were short but they had what every team should have and that is scrap. These ended up winning four and loosing five. This bunch will be the future Spartans and they look plenty tough.

BASEBALL

Kneeling left to right: Russell Hunt, Donald Black, Charles McKim, Willie Johnson, Paul Swingley, Aussie Kirklin, Harold Cook.

Center ended up this year winning five out of ten games. There were fifteen boys out this year. Morris did most of the work on the mound with Cook behind the plate. Not far behind was Hunt another pitcher who should show up next year. Two other players who showed they knew how to play ball was Kirklin on first and Windmiller on shortstop. Both of these boys can play their positions and no one can beat them out. Fort the next two years Center should show up plenty good in baseball.
